Editorial

Welcome to your October edition of Spectrum magazine.

We have a very full issue this month with very welcome reports on both the village and the church halls. Both have received substantial facelifts making for much improved facilities for us all to enjoy.

Every year I wonder if enough material will arrive on my computer to fill another issue, and I'm never disappointed! Thank you to everyone who contributes whether it is jokes, reports, articles, letters or adverts. This is your magazine after all and without them it wouldn't be very much of

a community magazine. Even though there may be occasions when something has to wait a month (or two!) before finding its place. I do encourage you to keep sending them in.

Thanks for reading and I hope you may think of something interesting to send to me for the coming months!

Kathy

Spectrum http://www.wooltonhill.com/Spectrum.html

Spectrum is a monthly community magazine serving East Woodhay and Woolton Hill. It is run by a committee of volunteers and is a not for profit publication.

Reports on village activities and articles of local interest are welcomed for publication subject to the discretion of the editor. Copy should reach the editor by the seventh day of the month preceding publication and should be a maximum of 500 words. In the event of pressure for space, the editor reserves the right to reduce the length of the article while attempting to maintain the style of the writer and retaining as much content as possible.

The editorial committee accepts no responsibility for the views expressed by Spectrum contributors or for the quality of goods and services provided by advertisers in this magazine.

The contents of this magazine are protected by copyright and nothing may be reprinted without prior permission.

Editor for November and December 2019

Sandham Chapel **October Events**

If you want to book tickets or have any questions please call the contact number: 01635 278394 or contact email or website: www.nationaltrust.org.uk/sandhammemorial-chapel

Monthly Service Date: 2ndOctober Time: 10:15-10:50 Cost: Free Join us for one of our monthly Services conducted by our Parish Rector. There is no need to book, but as the chapel is guite small space may be limited.

Papercraft Workshop Date: 11th October Time: 10:45-12:45 Cost: £17

Working with local artist Helen Mortimer learn about this varied artistic medium to create your own unique projects. Paper is very versatile and can be folded, cut, glued or layered. Learn how to create beautiful cards and 3D projects from a range of colourful papers and cards using techniques including stamping, die cutting and embossina

In the footsteps of Stanley Spencer; exhibition by Jen Gash–Sky Landscape Artist of the Year 2018 Date: 16th-27thOctober Wednesdays-Sundays Time: 11:00-16:00 Cost: Free

Jen's prize was a commission from the Imperial War Museum to create a painting of the Kosturino Ridge in Macedonia; the site of a significant battle in December 1915. Jen travelled to Macedonia in the autumn of 2018 and her finished painting is hanging in the Imperial War Museum, North. Jen created many other pieces of work as part of her trip and this unique exhibition provides new "eyes" into the landscape of Macedonia, old and new, as she followed in the footsteps of Stanley Spencer.

Stanley Spencer's Salonika Date: 19th October Time: 16:15-17:45 Cost: Free Jen Gash, Sky Landscape of Artist of the Year 2018, talks about her experiences working on the commission to produce a piece of artwork based on the Macedonian landscape, which now hangs in the Imperial War Museum, North.

Woolton Hill Update On Church Hall Improvements

All Users attending the Hall from 1 September 2019 will have been amazed to see the superb changes that have taken place so far. On entry to the new Car Park, you will find a new and spacious area for parking. All people using pushchairs or in wheelchairs will find access from the car to the Hall smooth and safe.

The Chestnut Tree was found to be very rotten on the inside, and the Tree Surgeon was surprised that the thin shell around the dead inside was strong enough to keep it upright and safe. With the removal of the tree, the light that

this gives for both the School and the Hall is tremendous. The area around the base of the tree has been removed and levelled and a smart retaining wall finishes off the area around the Electricity Sub-Station. A much improved entrance to the Hall. Security cameras have been installed and a new faster router has been introduced for the benefit of all Users. Please check on the new password. A new loft ladder will have been installed in September, along with a new Play Area surface being planned.

Many thanks go to Basingstoke and Deane, and East Woodhay Parish

Council for considering and supporting, both financially and administratively, this project which was planned by the Hall Committee and masterminded by John Angle. As Chair I would

like to thank all those involved, who are too many to mention here individually. Finally I would like to add that there are additional plans to re-surface the Play area to improve, make the area safer, and make it look user friendly. Nick

East Woodhay Parish Council

EWPC News.

Since this article, (and indeed all articles in Spectrum) is written about one month before publication there is nothing to report arising from Parish Council meetings since there have been none in August. This does not mean the PC has been inactive however, merely that we have not all met in full session.

Hedges: Some progress has been made with the cutting of hedges which intrude on the footpaths but there remains more to do. Residents are reminded that this is not an option but a legal duty not to impede the pavement area. In extreme cases it may be necessary for the PC to arrange the cutting and the cost will be billed to the owner concerned

Refuse.

Many of us have a change to our refuse collection days but the new system seems to be working well. It just seems to take more effort to remember the night you have to put the bins out. Probably due to my advancing years!

Woolton Hill Recreation Ground CCTV Upgrade

As work was taking place to install new CCTV in the Church Hall, the PC decided to take advantage of this and upgrade the CCTV for the Recreation Ground. We have now linked the Recreation Ground CCTV to the new technology being used for the Church Hall CCTV enabling new functionality to be used. In the past the Recreation Ground CCTV could only be accessed by a linked computer in the infant school. This meant if incidents were reported it took time to access the required playback, resulting in delays in getting key information to the police. The new new technology allows immediate access by a mobile

device (of course with strict security) enabling a rapid response to any

reported incidents. This will enhance the security of people and equipment in the **Recreation Ground**.

Update from Paul Hurst. **Meadowbrook Community Land**

In the July Spectrum I highlighted our disappointment at the lack of progress of the sign off of the Meadowbrook development, resulting in no movement in the handover of the Community Land to the Parish. In August there was a further inspection of the site by the BDBC landscape officer and a review with some of the residents to get their feedback. Unfortunately again Bloor Homes had not completed the remedial planting to specification. As the landscape officer felt the next review would have to be in March (after replanting in Autumn) we agreed the handover of the Community Land could not keep being pushed back. Bloor Homes and BDBC have therefore accepted to decouple the handover of the land with the final sign off of the site. All parties have agreed we will now move forward with the legal process to handover the land. BDBC have commenced the negotiation with the first step being the legal agreement of the area of land to be transferred. It is hoped handover of the Community Land will be completed early in the new year.

Refurbishment of both the East Woodhay Village Hall and the Woolton Hill Church Hall will be covered by separate reports from the project managers elsewhere in Spectrum. Phil Jarvis

Pheasant Cottage, Ashmansworth

Dear friends

'Caring for Creation'

I am writing this at the conclusion of the cycle of sermons during August on 'Caring for Creation'. We have looked for ways we might respond to the crises affecting the planet, climate change, pollution, plastic waste, water shortages and the other troubles of which we are all now so aware.

Everyone can appreciate the beauty around us and we all have an interest in helping to protect and enhance the world. We have waited in vain for governments to respond to the urgent threats to the planet, maybe it is now time for people to show decision makers, and each other, how greatly we care – not least for the sake of our children and grandchildren. There are many dangers to our world but if we respond positively, treating environmental concerns not as dangers to be feared but as opportunities for individual action then there is hope for a better future.

Here are some ideas which many people could take up and share with their friends and neighbours to spread a message of care for the wider world and beginning changes for the benefit of everyone:

Using cars less – for example by car sharing for shopping trips etc. Reducing waste – reusing and repairing instead of throwing away

Minimising our use of plastics

Thinking twice before booking flights to reduce carbon emissions

I think it is so important for us to make changes in our lifestyles alongside our friends and neighbours, sharing our hopes for the planet and convincing decision makers and businesses that people are prepared to make sacrifices now for the benefit of future generations.

A prayer:

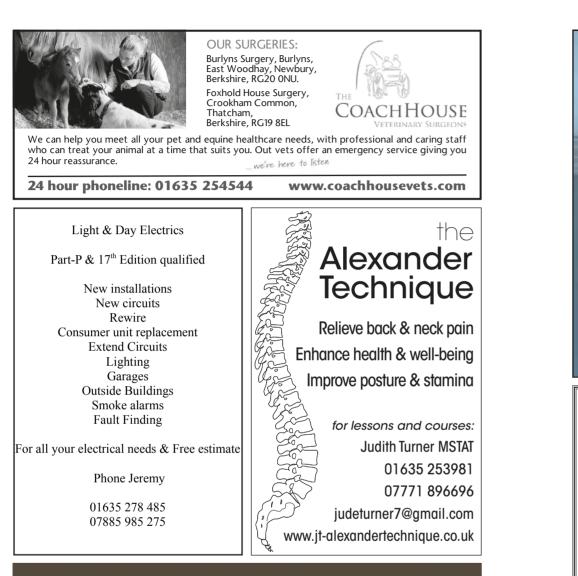

Creator of our common home, you fill the earth and sea and sky with life, forgive us our neglect of your creation, the choking waste of our pollution, the damage done by careless habits and our indifference to future generations. Inspire us to amend our lives, to refuse more plastic if we can't reuse it and to lift our voices for lasting change, living well and gently on the earth. Amen.

> Every Blessing, Mike Sarson (Licensed Lay Minister)

Eco Bricks

-how to make them and where to take them.

Currently the local collections for Eco Bricks are being used to build playground equipment in local schools.

Many people have asked how can they use their non-recyclable single use plastic to make an Eco Brick and where do to take it once complete. So here is some helpful information to get you started!

Technique

Clean and dry your plastic and bottles. Cut the plastic into small pieces: soft plastic (crisp packets etc) approx 4cm square, hard plastic (yoghurt pots etc) approx 1cm square. Use a dowel or spoon handle longer than the length of the bottle to cram in the plastic right into the bottom of the bottle. For best results you can alternate layers of soft and hard plastic.

This way you get enough in to achieve the minimum required weights for each bottle size:

500 ml – 167g 1 litre – 333g 1.5 litre – 500g 2 litre – 666g

Once full simply put the screw top lid on.

Where to Take your Eco-Bricks

Information about where to take them can be found on www.ecobricks.org web site.

There are also projects locally using Eco Bricks for school playground furniture and you can take them directly to Hampstead Norreys Community Shop & Cafe or drop them off at the following places: Hungerford Garden Machinery, Unit 8-9 Charnham Lane, Hungerford, RG17 0EY. 01488 684105 Mon-Fri: 8.30am-5pm Sat: 9am-1pm (they will also collect bags of plastic ready to be put into bricks)

The Three Tuns, Great Bedwyn

Thatcham: Thatcham Baptist Church – Tuesdays 10am to 3pm, Sundays 10am to 12.30pm, Sundays 6 to 7.30pm Newbury: 41 Kingsbridge Road, Newbury, RG14 6DY – there is a bin marked for eco-bricks

Kintbury and Woolton Hill Surgery Photography Competition

(closing date 31st October 2019)

Being in nature, or even viewing scenes of nature, reduces anger, fear, and stress and increases pleasant feelings. Exposure to nature not only makes you feel better emotionally, it contributes to your physical wellbeing, reducing blood pressure, heart rate, muscle tension, and the production of stress hormones.

With this in mind, we would like to invite all our staff, patients and local community to get out and enjoy some of our beautiful local scenery and take some photos. Images can take any form, from landscapes to abstract interpretations. A selection of winning images will then be framed and hung as artwork at our surgeries.

There is no limit to the number of images individuals can submit, please write your name, photo location and contact number on the back of any submissions and hand them to reception.

Happy Snapping and increased wellbeing!

The Kintbury and Woolton Hill Surgery Teams

October 2019 The Rectory, Woolton Hill

Dear Friends,

Did you know that Charles Wesley wrote 8,989 hymns? Some of his hymns are among the most popular, such as "And can it be" or "O for a thousand tongues to sing". What is your favourite hymn I wonder? Other hymns that regularly top the list in public polls include "Amazing Grace" and "How great thou art". But what is yours? One of my favourite hymns is 'I heard the voice of Jesus say, 'Come unto me and rest". It has beautiful words, by Horatius Bonar, which remind me of the care and protection of Jesus. It is sung these days to an equally beautiful old English folk tune called "Kingsfold" harmonised by Ralph Vaughan Williams (a piece of music often to be heard on Classic FM!). A meaningful hymn with a lovely tune can be a wonderful source of comfort in time of need, courage in time of change, inspiration in time of doubt and often an uplifting way to express praise and adoration of God and celebrate the wonder of the creation he has made.

We are holding a Benefice Songs of Praise this month at **4.30pm on Sunday 13th October.** It is a service for everyone from all our five parishes and is being hosted by St Martin's Church, East Woodhay. We asked those who attended our summer round of benefice services to suggest their favourite or special hymn: this resulted in a list of 42 hymns! I would like to reassure you that we won't be singing all 42!! But we will be having a good sing of a few really good hymns from the list. Come and join in to find out which ones!

With every blessing to you all, Canon Christine

East Woodhay Flower & Produce Show

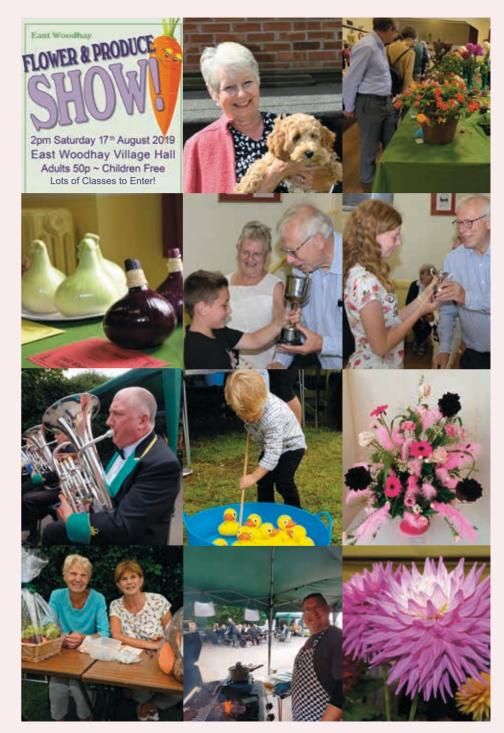

In spite of another challenging growing season the Show was a great success with entries similar to last year. More than 130 people flocked to this keenly anticipated local event having put down their needles, whisks and watering cans- it's not the taking part that counts – it's the winning!

After looking at the entries in the many classes; which included vegetables, fruit, flower arranging, baking, preserves, handicrafts, children's classes and photography; there was a chance to enter your dog in the novelty Dog Show, enjoy a burger from the barbeque washed down with some real ale, buy a winning raffle ticket, scoop up some prizes on the tombola, watch the children hook a duck and catch up with friends and neighbours before heading home with a treat from the cake stall. A huge 'Thank you' to all our volunteers, supporters and sponsors.

Dr. Colin West presented the cups and then conducted the auction of donated produce at the end of another fun-packed village event.

East Woodhay Village Hall Progress on the Amenity Project

A new shed has been erected at the rear of the Hall to house our trestle tables, flower show tents and gazebos and fete games equipment. In addition to creating storage space in the hall, equipment hirers will be able to collect and return at their convenience, without disturbing the users of the Hall.

New LED lighting units have replaced the old fluorescent lights, giving double the level of illumination and the ability to dim the lights to a required level. The old fluorescents presented a considerable maintenance problem and their limited height restricted the use of the hall for sports such as table tennis and badminton; both are now possible.

The stage floor has recently been lowered to the level of the hall floor, together with the two doorways. The large amount of unwanted items recovered from underneath the stage was something of a surprise and their disposal will have to be done fairly guickly!

The work took up the time available between the Flower Show and the beginning of Autumn term for Bright Sparks, so as an interim measure the doors that previously gave access to the understage have been retained as a barrier between the main Hall and what is now an open flat storage space.

With the help of Barry Lambert and members of the Bowls club we have organised the storage into areas for tables, chairs and each of the main users of the Hall.

The next phase will take place during the October half term break, when partitions will be erected to form three storage areas around a performance space.

In the meantime we shall be arranging to replace the existing chairs with folding chairs mounted on wheeled carriers, and trolleys for the tables which will make it much easier for users to set up the hall and clear away after use.

Report from Peter Stanley on behalf of EWPC

Woolton Hill & District Gardeners' Club

Our last event of the summer was the afternoon Cream Tea gathering. held in Margaret and Brian Burghams's immaculate garden. We all appreciated how much work must have gone into such a colourful and healthy display. No competition this time - members were invited to

bring homegrown tomatoes for tasting but most, like us, found that their crops were not guite ready in time.

At the October meeting, on Thursday 24th October, we welcome Paul Patton to tell us about Bugs and Beesties. An interesting subject just before Hallowe'en? Our meetings are held in Woolton Hill Church Hall on the fourth Thursday of each month, and quests and new members are always welcome.

Upholstery by Suzanne City & Guilds Qualified

Bespoke upholstery and soft furnishings specialist

With a buzz of anticipation 37 people boarded a coach in Woolton Hill on a bright August morning bound for Hereford to visit the cathedral with its historic treasures and to explore the ancient city.

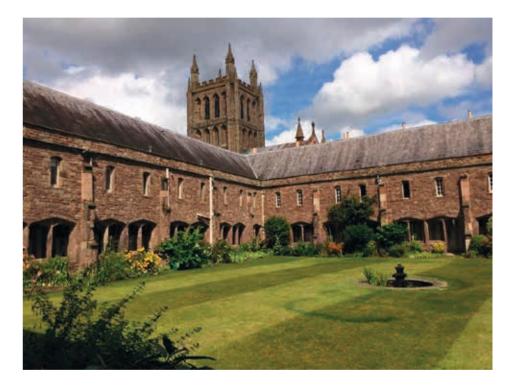

The day was organised by Ann Fleming and Carol Currey under the auspices of St Thomas' Social and Fund-raising committee and was the third summer outing of its kind.

The party, comprising mainly local residents but including friends from further afield, was welcomed on arrival with coffee and cake in the magnificent College Hall which was located beyond the rambling medieval Vicars Choral cloisters, still inhabited by cathedral staff today.

A guided tour of the cathedral had been booked for 1pm and in the meantime small groups went out to enjoy the delightful Vicars' Garden, meticulously maintained by a team of local volunteers, take a look at the characteristic old black-and-white buildings of the town or have a gentle walk along the peaceful river Wye.

The excellent guides explained the history of the building from its Norman pillars and arches, through Gothic additions in the 13th century to the latest reconstruction of the West front dating from 1908, replacing the original medieval west tower which collapsed in 1786 as a result of an earth tremor. Along the way they pointed out the 14th century choir stalls, the magnificent Lady Chapel and the memorial to St Thomas Cantilupe, as well as more modern features such as the inspiring SAS memorial and the beautiful Tom Denny stained glass in the Audley chantry, commemorating the local poet Thomas Traherne.

The world-famous Mappa Mundi exhibition and the Chained Library also proved

fascinating for those who opted to include this in their visit.

In spite of traffic problems–roads unexpectedly closed and, on the return journey, a small broken down van causing a jam out of all proportion to its size–the day was a huge success and resulted in a surplus of £145 which was donated to St Thomas' churchyard improvements project.

With so much still to see and enjoy, such as the crypt and the tower, not to mention the glorious music, no wonder some of the group are contemplating a second visit. Meanwhile plans are already being discussed for next year's trip to discover another of our great cathedrals.

Nicole Bentham with photos by Jane Halliday & Genie Stapleton

East Woodhay Society

Barn Dance:

The annual village Barn Dance is on Saturday 5th October – this is always a great laugh and we have an experienced band and caller to help us through the steps. It starts at 7:30pm and will end at 10:30pm. If you have not yet secured vour tickets, do please send me an email to secure your tickets to avoid missing out.

WooltonHill.Com website

Helen Carlile, the owner of our local website WooltonHill.com, has moved out of the area and it has been agreed

over the website. We would like

Society will take

to thank Helen for all the hard work she has done over the years; to set up and maintain the site for the local community and I know it is an invaluable resource for those within the area and those moving to the East Woodhay Parish.

As technical capabilities have changed over the years, we are taking the opportunity to utilise a different technology and redesign the website, leading to a modern 'look and feel'. We will be releasing the website very soon. In the meantime, please do let me know of any information which you would like the site to contain and I can make sure we include this. We want this to be a full community website.

Walks and Footpaths:

Our regular Friday morning walks, which are around 3 miles in length, start at 10.30am and last around an hour. 4th and 18h October are from St Thomas' Church Hall, where we also finish with a welcome coffee/tea, and 11th and 25th October from the Rampant Cat.

Stuff & Nonsense - dispatches from middle England.

By reading this you hereby agree to the corporation's terms and conditions, full details of which can be found on our website. What do you mean, you haven't got time to read 31 pages of legalese? Actually I've just edited my T&Cs down substantially. So substantially in fact that there is now only one, "Don't believe any of this tosh."

So there I was mowing the lawn and shortly began to drift off into what I like to think of as mindful meditation. I was nearing nirvana when I noticed out of the corner of my eye a hurried movement in the hedge alongside. Some bird or small animal was scuttling alongside me. I stopped to investigate but there was no sign of a mouse doing a Tarzan act, rapidly swinging from branch to branch of the privet. I resumed grass cutting and despite spending less time on the astral plane. I saw nothing more

of this phenomenon. For the time being this was to remain a mystery.

The village sign was looking a tad grubby so I decided to clean it up. It took three boxes of brillo pads and a bucket of elbow arease. The result though was well worth the effort.

A guick plug here for markets. We have of course our own excellent market on the last Saturday of the

month at Woolton Hill Church Hall. In addition, why not treat yourself to the small but perfectly formed Hungerford Market held every Wednesday. Parking is cheap and plentiful, you can buy high quality fruit and veg in paper, (yes paper) bags and the adjacent café is a treat. Less welcome in Hungerford is a new watering hole, part of a well-known coffee house chain. I don't wish them harm of course, it's just I would prefer to see restored my bank branch it replaced.

We all like to buy shiny new things and what comes shinier than a new car? For only the second time in my now longish life I was set to have one. The object of my affection was a modest, small Japanese family hatchback and its buying - or should I say, its selling – was unnecessarily protracted; more of this in a later dispatch perhaps. One item on the bill caught my eye. I was being charged a great deal for delivery. I was tempted to charge a similar amount for my tired trade-in *I* was delivering but the salesman lacked a sense of humour. Instead I remarked that wasn't £700 a bit steep for bringing a small car from Japan? He smiled knowingly, "Oh no sir, this Japanese car is made in Derby."

Meanwhile back in the garden I continued mowing and worked my way to the opposite hedge. There it was again, a distinct scuttling in the undergrowth alongside me. Again I stopped and again the creature disappeared. I restarted the mower only for my good lady to arrive with a cup of tea. Above the noise I enthusiastically recounted the story of the apparition. Eyes rolling, she silently pointed her foot at the exhaust of the lawnmower. It nearly blew her slipper off and finally the penny dropped.
