Spectrum

Editorial

Well, Hello Everyone! Here we are once again. As usual our headline story is celebrating the Flower Show – actually happened way back in August, but this is the first edition it is available for sharing with you all. Otherwise as I write; children are back to school, holidays probably all over for the year and lots to look forward to in the way of Halloween, Guy Fawkes Night and yes, afraid I'm going to say Christmas too! I can't believe that shops are beginning their Christmas Advent Calendars and chocolates already (and this is whilst the holidays are still on!). I'm really looking forward to some delicious warming soups: butternut & rosemary, parsnip & pear, to name but two of my favourites!

I hope you will find plenty to read about in the pages of this month's Spectrum, and don't forget to let me know if you have any news or celebrations that you would like to share with the community through these pages.

Kathy

Editor for November and December

Spectrum is a monthly community magazine serving East Woodhay and Woolton Hill. It is run by a committee of volunteers and is a not for profit publication.

Reports on village activities and articles of local interest are welcomed for publication subject to the discretion of the editor. Copy should reach the editor by the seventh day of the month preceding publication and should be a maximum of 500 words. In the event of pressure for space, the editor reserves the right to reduce the length of the article while attempting to maintain the style of the writer and retaining as much content as possible.

The editorial committee accepts no responsibility for the views expressed by Spectrum contributors or for the quality of goods and services provided by advertisers in this magazine.

The contents of this magazine are protected by copyright and nothing may be reprinted without prior permission.

Woolton Hill & District Gardeners' Club

Petunias, Tea, Scones And A Lovely Afternoon At The Stapleton's

I wonder if any Garden Club members or other Spectrum readers can guess why I have grouped these annual garden flowers together: sweet pea, fuchsia, pelargonium, surfinia, nasturtium, begonia, dahlia and petunia. Yes, they are all summer 'bedding' plants, but they are also all flowers which have been grown for the annual Summer Garden Party Competition.

According to the Club's written archive, the 'Growing Competition' dates to 1984, when a silver salver was donated by **Mrs R E N Ball** as a prize for the best garden. I can hardly believe that Garden Club members entered their entire gardens in those days, not just one pot-grown flowering plant as happens now. Can you imagine the amount of work involved; pruning, mowing, feeding, growing and watering all summer, trying to make sure the gardens were looking their best on the day of the competition. The very first winner was **Mrs G Elliot**. How exciting it would be to revisit this idea again, although in 2023, such a competition may have to be held in late spring, before the climate-change droughts of summer begin!

But times change and now all our efforts are focused on just one plant each year: the flowers mentioned above, as well as a selection of different vegetables and occasionally, a rose, a miniature garden or, surprisingly, in 1995, a photograph of a gnome! The most successful of our vegetable-growing members was **Shirley Webb** in 2008, 2010 and 2011 who won the salver for French beans, potatoes and onions. Our most expert flower-growing member and this year's winner is **Margaret Falconer** who has also won the salver three times, in 2003, 2014 and 2022, with a pelargonium, a fuchsia and a petunia – a beautiful pink, double-flowered petunia which you can see in the photo.

October is not really the time for tips on how to grow the best petunia – most of this year's will have been consigned to the compost heap by now – but a little suggestion for next year might be welcome: Margaret's tiny plug plant from Hillier's Nursery was potted up in the very best-quality peat-free compost in a

small pot, potted on into a clay pot in the same type of compost, hardened-off before going outside, followed by regular feeding of any suitable tomato fertiliser. I wonder if Margaret gave her pelargonium and fuchsia the same treatment in 2003 and 2014?. The sharp-eyed amongst you may have noticed that Margaret is holding a cup, not a salver – just a tiny mistake on the day about the correct prize, undiscovered until I delved into the archive and to be sorted out next year.

The programme published in last month's Spectrum has two alterations. In October, the talk will be 'How to Grow Roses Successfully' and the talk in March 2023 will be 'How to Encourage Wildlife into Your Garden'. The full programme can be found on the East Woodhay Society website.

Woodhay Walkers

Although, as I write this the rains have eventually come, it has been an exceptionally dry summer and, with the water restrictions, our gardens have been looking more parched than ever. Woodhay Walkers have been out and about on various Friday morning walks and we have seen just how dry the local countryside and area had become. I wanted to share this photo of one walk we had on Greenham Common as it certainly shows the results of this extreme weather.

At various times we have had 24 different people come along for a walk and a chat and, if you fancy joining us then just come along with suitable footwear. Not all information is known at the time of writing so please see the website or send an email to woodhaywalkers@gmail.com.

Friday 30th September – no walk

Friday 7th October - a 3 mile walk starting 10.30am from Woolton Hill Church Hall (no stiles)

Phoenix Lacrosse Club

An update on the work of Phoenix Lacrosse

In our first 3 months, our club attracted 63 students and provided them with over 450 hours of sporting activity, including 40 matches against schools and in tournaments. Eleven club members took part in the Regional Academy Assessments and 8 are training with the England Lacrosse Talent Pathway. Our 19 outreach sessions reached 123 children at 7 state primary schools, including Woolton Hill Primary. You can find out more about our work here: https://phoenixlax.co.uk/?page_id=25180

As a new Head takes over at St Bart's, we hope this is an opportunity for the school to reconsider its decision to discontinue competitive lacrosse.

The Schools of Woolton Hill

As part of becoming a Federation, St Thomas' CE Infant School and Woolton Hill Junior School have recently developed a shared vision statement across our two schools.

The vision is a really important part of improving the quality of education in our schools. It paints a picture of what our school will look, feel and sound like when we have got things right. It is the blue-print for our Federation.

Our vision is best summed up by the instruction in the Book of Matthew to "let your light shine before others..." As a Federation, our job is to develop the unique talents of all of our pupils and develop their knowledge, their skills and their passion for learning, so they are best placed to go out into the world and 'let their light shine'.

We believe in a child focused approach. Through the learning opportunities we offer, we seek to challenge, support and engage all of our pupils. Our children love to learn and we want to ensure that we always provide them with the very best topics, trips and hooks into learning! We are always seeking and striving for ways to unleash the creative talents of our community – this might be through art or musical events, sports activities and opportunities for children to take on leadership roles within our schools.

During the summer Term of 2022, our children, staff and governors undertook a project to design our new logo. We are excited to include our new logo as part of this article. Not only did we want it to be relevant to our village context, but we also wanted it to represent what we stand for as school and the 'Primary School experience' that we are creating.

The image of a single branch changing through the seasons not only represents our wonderful school environment, but it also shows the journey of change our pupils undertake as they move from St Thomas Infant School, through Woolton Hill Junior and beyond. The children grow, change adapt and renew as they learn the knowledge, skills and behaviours necessary to succeed.

We are always looking for the support of our local community. Perhaps you would like to volunteer some time to listen to our children read or perhaps you have a skill or talent that you would like to share? If you feel you would like to volunteer and help in our schools please do get in touch through our

Remembering the Drought

Where has the water gone? The bird bath is dry.
No drinks for the birds – so weak as they fly.
Fatalities happen, thrush lies on the ground.
My sweet friendly robin won't follow me around.
Once lush – lawns now shrivelled - the odd spec of green.
Limp flowers, all wilting, few colours are seen.

So much can change quickly, with Autumn's arrival.
Birds flying; plants thriving; a happy revival!
Ripe berries in bushes and apples on trees.
Crops fewer than normal but be thankful and pleased.
As leaves flutter down, Autumn colours appear.
Our farmers will hope for good weather next year.

Winter Cost of Living Crisis

There are members of our community who are very concerned about the cost of living crisis in our community and how it will affect us all, in-particular Martin Lewis has calculated that for many pensioners 45% of their state pension will go on energy bills.

As yet, there are no plans in place to offer any support within our community, although I'm sure we will all be aware of our neighbours needs and try to help as we can. Meantime please note the following websites where advice and help may be sought.

Letter to the Editor

Dear Editor,

In the September issue my letter was printed asking for information concerning a small memorial at Crux Easton. Norman Powers' encyclopaedic knowledge of the area meant he knew of a gentleman who was able to shed light on it.

Two USAAF Lockheed Lightnings were flying near Three Legged Cross from their base near Weyhill, Andover when they saw some Land Army girls in the fields. They decided to put on a show for them by flying low over the fields. Sadly, their wings touched and one crashed at Crux Easton & the other at Ashmansworth, killing both pilots. This led to the garden memorial being set up and a poppy cross was also laid at Ashmansworth regularly.

I am carrying out further research and have already been able to come up with the names of the two pilots: William E. Evers and Thomas D. Stewart. They were both part of the USAAF 402nd Fighter Squadron, part of the 370th Fighter Group based at RAF Andover. The incident occurred on 15 May 1944 at 16:55. I hope to find out more.

I am so glad I finally got around to asking about this memorial and thank Norman and his friend for supplying the information.

Christine Dalton

East Woodhay Flower and Produce Show

Saturday 20th August

East Woodhay residents Lord and Lady Hamilton opened this year's Show, a longstanding community event, which despite record breaking summer temperatures and deep-fried crispy gardens, saw some impressive exhibits and an increased number of entrants across the classes.

A good crowd enjoyed a lovely day looking at the exhibits and seeing how their entries had fared, perusing the various stalls, and listening to the East Woodhay Silver Band while enjoying a cup of tea and a slice of homemade cake or a freshly cooked burger. The day concluded with an auction of donated exhibits and produce with auctioneer Chris Boreham persuading everyone that they couldn't possibly leave without 3 marrows or 5 bunches of dahlias.

No matter your age you can take enter the flower show

Cups winners

- The Bill James Cup (Best begonias) – Bill Webb*
- The Tom Trice Memorial Cup (Best carrots) – Norman Powers*
- The Walt Hills Memorial Cup (Best runner beans) – Cathy Neller*
- The Mrs. R. Thomas Cup – Edmond Chau*

You can never be too old or too young to enter! Pictured - Les Barber aged 95 with Grace Collins aged 16 months.

Many thanks all our sponsors, supporters, volunteers, and participants, we couldn't do it without you!

Dear Friends,

Last month I wrote about the ministry and vocation of a Cathedral Verger as we celebrated, with Ann Harris, her new role at Winchester Cathedral. I commented that her vocation reminds us of the importance and value of all the different vocations that make up the whole life of the Church, and indeed of all society.

For many years I served as a Vocations Adviser. It was a part of my contribution to the wider life of our Diocese. It was a privilege to walk alongside those exploring a vocation to the Church. Often the first step is to realise that vocation is not always about the Church! Vocation begins with a journey into our own wholeness – Jesus always encouraged his disciples to discover the love of God and to find freedom to be themselves - to 'realise their potential' as the saying goes.

So vocation is about our passions, our relationships and the unique gifts we each have to give to the world. My niece would say she has a vocation to design jewellery, and through study and hard work she has made a career from her passion. For us it might be our love of gardening, or mechanics, or teaching, or music, or cooking. It is also our relationships - as a husband or wife, parent, brother, sister or friend. Wherever we find there is something special we can give or receive, there we find a vocation.

For Christians vocation is about discipleship with Christ: expressed through worship and faithful service in loving our neighbour – perhaps through various roles in church, or with charities, or in the community. Sometimes, a vocation is to be a Licensed Lay Minister or a priest. These are not more important, but they are distinct and do involve a demanding selection process and training.

This month we celebrate with Suki Coe who, after three years of training, is being licensed to serve as a Licensed Lay Minister in our parishes. We rejoice with her, and a number of us will be joining her for her licensing at Winchester Cathedral at 11am on Saturday 8th October.

Please give thanks for Suki, for one another and for the call upon each of our lives. May the flourishing of Suki's vocation be an encouragement to us all in discovering our own path in life.

With every blessing to you all,
Canon Christine

East Woodhay Parish Council

Update on the Neighbourhood Plan from Paul Hurst V.Ch EWPC

You may recall that our Neighbourhood Plan (NP) had to rerun the Regulation 16 consultation process. This was because the Basingstoke and Deane environmental analysis (that is part of the NP) had not included the area of the parish that drains into the Test Valley. This environmental analysis was published, approved by the required agencies and the additional 7 weeks consultation completed. Representations during the consultation period have gone to the independent examiner. The examiner has commenced her review of the NP and has asked the NP team for any response to the representations. We will respond where necessary. The examiner will then continue the detailed review of the NP and supporting materials, producing a final report on the NP to determine if it can move forward to referendum.

East Woodhay Local History Society

This month's meeting will take place on Monday 17th October at 8pm in the Village Hall at Heath End. The speaker will be Sue Ellis and her topic will be: Richard III - Man or Monster?

Christine Dalton
Secretary.

Everyone deserves to feel amazing!

At Maple Aesthetics we are passionate about enhancing your natural beauty.

We don't believe in a 'one size fits all' approach – beautiful faces require discrete and specific aesthetic design to enhance the way you look, not change it.

Whether your concerns are fine lines & wrinkles; uneven skin tone; acne scarring; sun-damage or pigmentation, we work with you to create a bespoke treatment plan to meet your individual needs.

Set in the grounds of a private property in the picturesque village of Woolton Hill discretion is guaranteed.

Get in touch for your complimentary no obligation consultation to discuss how we can make you feel AMAZING!
